The contrast of Africa was  
amazing. One night we  
were sleeping in a stone &  
thatch hut and the next  
night we stayed in a  
converted castle. That's  
a good representation of  
this continent.

Dear Ling G,

What a wonderful trip in Namibia it was!!

\* I drove the most beautiful landscapes  
I've ever seen,

\* met a Pumba on the road,

\* danced with the Himba girls,

\* talked to the Cheetahs about chinese food  
and french dessert,

\* and, yesterday, I told my secret wish to  
a shooting star...

Thanks so much for this AMAZING moment of life and  
taking care of my friend Guofeng and me. You were  
the greatest guide we could ever wished!!

♥ Warmly ♥

you sure put Namibia on the map for us. Your  
Pride and dedication showed to us in a convincing  
way that Namibia is a real paradise.  
Not only did we learn a lot about wild life,  
rhino horn music and your national flora and  
fauna.  
But the long offroad tours went by too fast  
and it will make us come back soon.  
Thanks for putting up with us - in spite of lost  
luggage, getting lost ourselves in a wadi and a  
fire puncture.

Fantastic trip of a lifetime through the  
stunning landscape of Namibia. Unforgettable memories  
forged especially with the "stunted" stuck river  
crossing! The dunes was a big laugh too! Definitely  
won't be my last Land Rover adventure!
