AN UNBREAKABLE SPIRIT. A TRUE INSPIRATION.

RESILIENCE. THAT'S WHAT OUR VEHICLES ARE MADE OF.

In December 1971, two Range Rover crews set out on a formidable 18,000 mile journey across the Americas. From Anchorage, Alaska to the most southerly point in Argentina. Halfway down, they faced The Darién Gap. 250 miles of swamplands and rainforest between Columbia and Panama.

But it was far from the end of the road. With grit, guts and peerless capabilities, these British icons made it through to complete their expedition.

Now their journey continues with the 2017 Land Rover Heritage Collection. A premium range of clothing, gifts and accessories, inspired by that all-conquering spirit of perseverance. You'll see the Navy and Gold of those original Range Rovers across the collection; while technical graphics, route map designs and accounts of The Darién Gap crossing bring the legendary British Trans-Americas Expedition to life.

Discover the Heritage Collection.
